A ball for all: the event

D1.5 – Project Output 5

Moodle Course – Online Educational Platform

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

Moodle Course – Online Educational Platform

At the online educational Moodle Platform will be uploaded all Project Results and the outcomes of both Work Packages. The Moodle Platform will be a way of promoting the EWE project, as it will be used also with dissemination purposes. Apart from the uploaded Project Results, the training outcomes will be transferred in the newly designed platform.

The Moodle based Platform is an interactive learning area, where participants can learn in different ways, according to their learning styles and preferences. We plan to provide activities like quizzes, interactive presentations, audiovisual files, forums for interaction & spaces for open discussions, so as to target as many of the target groups needs as possible.

Co-funded by the
European Union

Portal

<https://aballforall.moodlecloud.com/login/index.php> ?

You can register for the course by clicking this link:
<https://aballforall.moodlecloud.com/course/view.php?id=9>

After that, you can create a new account for yourself:

The image shows a Moodle login and registration interface. At the top, it says "Log in to Your site". Below this are two input fields: "Username or email" and "Password". A blue "Log in" button is positioned below the password field. A link "Lost password?" is located below the "Log in" button. A horizontal line separates the login section from the registration section. The registration section starts with the heading "Is this your first time here?". Below this heading is a paragraph: "For full access to this site, you first need to create an account." A grey button labeled "Create new account" is positioned below the paragraph. At the bottom of the form, there is a language selector showing "English (en)" with a dropdown arrow, and a link "Cookie Settings". To the right of the language selector is a grey button labeled "Cookies notice".

By clicking the “Create new account” button, you first need to accept Moodle’s terms of use. After that, you can fill in your username, password, and other required fields, and then click “Create my new account.”

Moodle will send a confirmation email to the address you provided, and from there you can log in to Moodle.

The following view will open:
